

Press Release

Floating Fish Studios CD Release Schedule:

Philadelphia, July 24, 2001: Floating Fish Studios, a Pottstown, PA based electronic studio, announced, today, that the bands IMBUED VAGARY, PUNCH DRUNK, and OBOMATIC are putting the finishing touches on their debut CDs for the label.

IMBUED VAGARY is comprised of Ttam Troll and MC2P4 (of ANY QUESTIONS?). This minimalist project showcases the simpler and less harsh side of the men behind ANY QUESTIONS?. Their debut CD single, *Electronique*, is a five-song journey through a tapestry of synthesizers and electronic rhythms. IMBUED VAGARY – *Electronique* (FISHCD 004) will be available in September 2001.

PUNCH DRUNK will release *Upload The Past...Download The Future* (FISHCD 005) in September 2001. Their thirteen-song retrospective chronicles the birth of Hardtech Robocore and reveals the blueprint for many of today's electronic artists.

OBOMATIC consists of members from ANY QUESTIONS? and is led by Steve-O (PUNCH DRUNK) in this modern day supergroup. Their debut CD, *Holy Uncontrollio!!!* (FISHCD 006), is a high energy, danceable tour-de-force. It is scheduled for a late September release. Be sure to catch them live at the 2001 CMJ Music Marathon in New York City September 13-16.
