Floating Fish Studios Launch Redesigned Web Site:

Philadelphia, December 15, 2003: Floating Fish Studios, a Pottstown, PA based electronic studio and label, launched, today, their redesigned web site (www.floatingfish.com). The new web site provides fans of Floating Fish Studios artists with an extensive array of new features, which include free audio and video files, picture archives, extensive discographies, and a web store. The site is based around an easy to use navigation system and each artist has a media section, which provides official logos, press photos, posters, postcards, and will soon feature web site exclusive audio and video files.

Since the cassette release of Any Questions? - Illegitimate Release in 1990, Floating Fish Studios has established itself as one of the premier electronic labels in the world. Floating Fish Studios has released music by Industrial pioneers Any Questions?, Hardtech Robocore legends Punch Drunk and have produced music for Techno Industrialists Silence.txt, Death Metal gods Witchery, and NuMetal veterans Veritas. Their current roster of artists include Any Questions?, Fashion Risk, Imbued Vagary, Obomatic, and Punch Drunk.
